ANALYSIS OF FEEDBACK FROM STAKEHOLDERS 2016 – 2017

Every academic year, a formal mechanism of obtaining feedback from alumni, parents and students are collected to ensure and strengthen the growth of the institution. The following points were suggested by the stakeholders:

Feedback from Students:

Students were asked to give their feedback on the following aspects such as Classroom environment, syllabus, teacher's knowledge and attitude, support to extracurricular and general administration in the college. Student's feedback for the year 2016-2017 is as follows:

- The effectiveness of teaching is very good.
- Happy with the library facilities.
- Satisfied with the co-curricular activities and extension activities
- In some departments students felt the bus service should be extended to rural and urban routes.

Feedback from Parent

PTM was conducted by the college immediately after the Semester results were published. During the time, the college collects feedback from the parents. The evaluation is done on Institutional Discipline and Culture, Academic Standards, Teaching Methodology, Co-curricular & Extra-curricular activities, Information regarding the progress of their ward, counselling provided to students in the college, career guidance and placement.

- The feedback is generally good.
- Some parents have expressed that the fees collected by the college is affordable.
- Parents were satisfied with the placement activities organised by the Placement Cell.
- Majority of the parents were satisfied with various aspects of Mangayarkarasi and felt fortunate to have their wards in Mangayarkarasi.

Feedback from Alumni

Alumni meet was held in the afternoon session of the Graduation Day, at the time alumni's feedback were collected regarding Curricular Aspects, Co-curricular Aspects, Extra-Curricular Aspects, and Administrative Aspects.

Programme Description

English is the language which connects people from different Regions, Culture and Nations. Due to Globalization, domestic companies are encouraged to think beyond their nations irrespective of their language .Nowadays, the ability to use English Language efficiently is very much required to get employed in the corporate world. In the present scenario, Companies would be happy to recruit those who have good communication skill in addition to the technical skills. Due to the Emerging demand of English language to get placed in the job, the management has planned to train and equip the students to develop their communicative English and thereby to improve the placement opportunities through the Communicative and Employability Programme.

Goals and Objectives

- To improve the level of English usage among the Students who are all from the rural background by gearing up their confidence through Motivational Sessions
- To mould the students to fit them with the corporate culture by providing proper and effective communicative English training
- To crack the hesitation, fear, pessimistic attitude among the students as they were far behind to speak English effectively during an interview.
- To increase the percentage of placement for the upcoming years.

BEST PRACTICE II

Title of the Practice : UNI Study Care Group Policy

Group Insurance

Group Insurance scheme is an insurance protection to group of people. It offers Life insurance, Health insurance and other types of personal insurance. This scheme is ideal for students, teaching and non-teaching staff etc. and allows enjoying group benefits at really low costs.

In general, young adults tend to have the highest rates of being uninsured. Those who go uninsured have a higher chance of dealing with more severe illnesses due to the lack of healthcare that is sought out and received. A student who has least financial support need would require the maximum number of insurance coverage. The student has hardly to pay sufficient money in cash of any unforeseen situations like medical emergencies, other situations.

As student, teaching and nonteaching staff are the biggest asset of this institution. So our institution insured all the members under the **UNI STUDY CARE GROUP POLICY**. The policy number is: 090224216P109017914, this policy cover a group of people with a single insurance policy. This policy covered 2116 students, 114 teaching and non teaching staff. It covered rupees 1,00,000 for students, teaching and non teaching staff and 50,000 for parent/guardian of the student. This scheme is offered for one year. This policy helps them to take care of them and their families anything happen to them.

It helps the institution as a tool to fulfil the protection and saving the needs of the students. It also offers financial security to the students and their family. This scheme is generally uniform in nature offering life cover to all the members of this institution.

What Can Be Insured

- Personal Accident for the policy holder and their parents/guardians.
- Hospitalisation expenses (Only for accident).

The Risks Covered Under the Policy

- Covers against Death or Permanent Total Disablement on account of an accident for both the insured student and named parent/guardian.
- Reimburses Hospitalisation expenses following any unforeseen ailment/accident for the student.

BEST PRACTICE III

Title of the Practice : Perfect Attendance Reward

"The Spotlight on Perfect Attendance program has been introduced this year," Hardy says. "Perfect attendance is the first step toward successful students. It's not the incentives as much as it is the achievement. To go to school every day is a big achievement."

Improving student attendance is a huge challenge confronted by colleges. The Importance of attendance is clear; students need to be present in college to benefit from the curriculum, meet academic and other Diploma requirements, and partake in special opportunities that college offers. So college aimed at improving attendance.

Encouraging 100% attendance with rewards boosts students' morale and output. Mangayarkarasi College of Arts and Science for women, seeks to reward dedicated students who have a perfect attendance record during the academic year.

In order to encourage the students the college awards Rs. 500 for each student those who have 100% attendance. During the academic year 2016-2017, nearly 262 Under Graduate Students and 11 Post Graduate students totally 273 students awarded for 100% attendance

The Price award is to reward good attendance and motivate students to perform their best and to improve the overall percentage of attendance by students at the college
