## PRINCIPAL'S MESSAGE

It gives me immense pleasure to write the Principal's message for the First issue of the Newsletter of our college. A news letter mirrors a college its vision and mission. It also highlights activities, events, academic progress and achievements. Though, we have not reached our targeted destination, our strides are definitely fast towards progressive development. Today, education means much more than merely acquiring knowledge. This year we introduced an Induction Programme for the fresher's of UG & PG program for a week which was quite successful. I am thankful to the dedication and commitments of the faculty, supporting staff and disciplined students of our college. My Special thanks to IQAC co-ordinator for their painstaking effort in publishing this newsletter. Our management is always vigilant in constantly equipping the institution to attain its vision and mission. I hope that the students may make use of those facilities and privileges. Let's give our best and make this institution a "temple of wisdom" through our diligence and dedication. Wishing you all the best...!

## SMALL CHANGES CAN MAKE A BIG IMPACT LET'S BEGIN TODAY

**Title:** World Environment Day Celebration – *Small Changes Can Make a Big Impact*

**Date:** 5th June 2025

**Organized by:** Green Dream Club

World Environment Day was celebrated on **5th June 2025** by the **Green Dream Club** with the aim of promoting eco-friendly practices among students and staff. The program was organized under the theme “**Small Changes Can Make a Big Impact – Let’s Begin Today.**” The celebration focused on creating awareness about environmental protection and encouraging individuals to adopt simple sustainable habits in their daily lives.

The event began with a brief introduction about the significance of World Environment Day. Members of the Green Dream Club explained the importance of protecting natural resources and highlighted the harmful effects of plastic pollution on the environment. The initiative aligned with the global theme of **reducing plastic pollution** and encouraged everyone to minimize the use of single-use plastics.

As part of the celebration, several awareness activities were conducted. Students shared ideas on eco-friendly practices such as using cloth bags, reducing plastic waste, conserving water, planting trees, and keeping the surroundings clean. Posters and slogans promoting environmental protection were also displayed to spread awareness.

The program motivated students to take responsibility for protecting the environment through small but meaningful actions. The celebration concluded with a pledge by the participants to adopt eco-friendly habits and contribute towards building a cleaner and greener planet.

## 3DAYS FACULTY INDUCTION PROGRAMME

**Mangayarkarasi College of Arts and Science for Women**  
Affiliated to Madurai Kamaraj University | Accredited with 'A' Grade by NAAC (3<sup>rd</sup> Cycle)  
Approved by UGC Under Section 2(F) Status | An ISO 9001:2015 Certified Institution

**Internal Quality Assurance Cell**  
Organizes

**3 DAYS**  
FACULTY INDUCTION PROGRAMME

**Day 1**  
  
**Dr. J. JOHN SEKAR**  
Formerly Associate Professor of English  
American College, Madurai

**Day 2**  
  
**MUHIL**  
Psychologist  
Ahana Hospital

**Day 3**  
  
**MEDICAL CAMP**

**19.06.2025 to 21.06.2025 @ Seminar Hall, 2pm**

**Dr. P. Ashok Kumar** Chairman & Secretary  
**Dr. A. Saravana Pradeep Kumar** Pro-Chairman  
**Dr. A. Shakti Praneesh** Vice-Chairman  
**Dr. A. Dhanya Meenu Preetha** Co-Chairman  
**Dr. Lima Baskar** Principal

The **Internal Quality Assurance Cell (IQAC)** organized a **three-day Faculty Induction Programme** from **19.06.2025 to 21.06.2025** in the **Seminar Hall**. The programme aimed to enhance effective teaching practices and promote the well-being of faculty members. It included expert lectures and a free medical camp for the benefit of the teaching staff.

On **19.06.2025**, **Dr. John Sekar**, Former Associate Professor of English at American College, delivered a lecture on **“Unique Traits of Generation X, Y and Z Teachers and Pedagogical Approaches for Effective Engagement of Generation Alpha Students.”** He explained the characteristics of different generations of teachers and discussed innovative teaching strategies to effectively engage the present generation of learners.

On **20.06.2025**, **Dr. Muhil**, Psychologist at Ahana Hospital, conducted an insightful session on **Work-Life Balance**. He emphasized the importance of maintaining mental well-being, managing stress, and balancing professional and personal responsibilities for a healthy and productive teaching career.

The programme also included a **free medical camp** for faculty members, focusing on health awareness and preventive care. The induction programme provided valuable guidance and support to the faculty, helping them enhance their teaching effectiveness and overall well-being.

**ORTHO** **EYE** **DENTAL** **GYNAECOLOGY**

Dr.P.Ashok Kumar  
Chairman & Secretary

Dr.A.Saravana Pradeep Kumar  
Pro-Chairman

Er.A.Shahid Praneesh  
Vice-Chairman

Dr.A.Dhivyaa Meenu Preetha  
Co-Chairman

Dr.Lima Baskar  
Principal

A **Free Medical Health Screening Camp** was organized on **21.06.2025** in the **Seminar Hall** as part of the **three-day Faculty Induction Programme**. The programme was jointly conducted by the **Internal Quality Assurance Cell (IQAC), NSS, YRC, RRC, UBA, and She Shines – Health Club** in collaboration with **Taj Multi Speciality Health Care Centre**.

The health screening camp was arranged with the objective of promoting the health and well-being of faculty members. The medical team conducted various check-ups and provided valuable health guidance to the participants. Apart from **Master Health Checkups**, the camp included **free orthopaedic, eye, and dental consultations**. In addition, **blood sugar and blood pressure tests** were carried out to help faculty members monitor their health status.

Special consultation was also provided by a **gynaecologist** for women faculty members. The doctors offered advice on preventive healthcare and encouraged participants to maintain a healthy lifestyle.

The health screening camp was highly beneficial and well received by the faculty members. It helped in creating awareness about the importance of regular health check-ups and maintaining overall physical well-being.

The **Department of Computer Science**, in association with **Reccsar Private Limited**, organized a **Faculty Development Programme (FDP)** titled “**Research to Reality: Bridging AI Innovation with Academic and Societal Needs**” from **23.06.2025 to 27.06.2025**.

The objective of the programme was to enhance faculty knowledge on recent advancements in **Artificial Intelligence (AI)** and its practical applications in academics and society. The programme featured **distinguished experts from academia and industry**, who shared their insights on emerging AI technologies, innovative research practices, and the role of AI in solving real-world problems.

During the sessions, the resource persons explained the **practical implications and societal impacts of Artificial Intelligence**. They also emphasized the **importance of integrating AI into teaching, learning, and research activities** to keep pace with technological developments and prepare students for future challenges.

The programme provided a valuable platform for faculty members to update their knowledge and explore new research opportunities in the field of AI. At the end of the programme, **E-certificates were issued to all the participants** in recognition of their active participation.

The **Freshers' Induction Programme** was organized on **25.06.2025** in the **K.P. Auditorium** to warmly welcome the **first-year students** and introduce them to the academic environment of the institution.

The programme was graced by **Dr. Jayanthasri Balakrishnan**, Former Professor of English, who served as the **chief guest** for the event. She addressed the students and shared her valuable experiences, offering **words of wisdom and guidance** to help them adapt to college life and focus on their academic goals.

In her speech, she encouraged the students to make the best use of the opportunities available in the institution and to develop confidence, discipline, and a positive attitude towards learning. Her inspiring message motivated the students to **strive for excellence in their academic pursuits** and actively participate in various co-curricular and extracurricular activities.

The orientation programme successfully created a **positive and encouraging atmosphere**, boosting the enthusiasm and confidence of the newly admitted students as they begin their journey in higher education.
