Mangayarkarasi College of art & science for Women, Paravai, Madurai and Madurai Meenakshi Mission hospital jointly organized a One- day free eye camp in their adopted villages Semminipatti under the Unnat Bharat Abhiyan scheme on 14th October 2023. The camp was supported by Madurai Meenakshi Mission hospital for Eye check-up. The Eye check up program started from 10.00 am at Government Middle School, Semminipatti village.

Nearly 600+ complaints regarding eye vision and other ophthalmic complaints were also screened and treated by a senior ophthalmologist, post which free specs/glasses were provided to the patients who were diagnosed with vision numbers ranging from 0.5+ to 2.75+.

Patients with major eye issues were asked to visit the Meenakshi Mission Eye Hospital, so that further examinations can be done and free operation depending on the case can be provided.

Out of which 08 people need surgery. Though the needed treatment for poor vision, they were unable to access any eye care due to his low income. He struggled to clearly see both near and distant objects, and it became challenge to continue with his day to day life. The eye hospital also had a medical van that was visiting the nearby villages and treating the patients who were unable to reach till the camp. The camp also provided free food, lodging, medicine, and transported him from his home to the hospital and back again after surgery. At the free eye camp, he was diagnosed as having significant cataract in both eyes and was advised for cataract surgery. The UBA Team brought to the hospital one day before the surgery where the underwent a detailed eye examination, along with blood tests and a pre-operative checkup.
